HISTORY: ASSERTIONS: HTTP: DESCRIPTION

Mar 29, 2020, 4:09:19 PM	POST	http://localhost:3000/users/	200 OK	cache	41ms
--------------------------	------	------------------------------	--------	-------	------

API Tester interface showing a GET request to `http://localhost:3000/users/`. The response is `200 OK`. The interface includes a sidebar with a file explorer, a main workspace for request configuration, and a history table.

**Request Configuration:**

- METHOD: GET
- URL: `http://localhost:3000/users/`
- QUERY PARAMETERS: (None)
- HEADERS: (None)

**Response:** 200 OK

**History Table:**

Time	Method	URL	Status	Cache	Duration
Mar 29, 2020, 4:11:26 PM	GET	<code>http://localhost:3000/users/</code>	200 OK	cache	23ms
Mar 29, 2020, 4:10:42 PM	POST	<code>http://localhost:3000/users/</code>	200 OK	cache	33ms
Mar 29, 2020, 4:09:19 PM	POST	<code>http://localhost:3000/users/</code>	200 OK	cache	41ms

API Tester interface showing the response body for the GET request. The response is a JSON array of user objects.

**Response Body:**

```
{
